ABOUT FOOD FOR LIFE MINISTRY INC.

FFLM Seeks to bring healing to a hurting world by providing food and sundry goods to those who are poor and need some help making it through hard economic times. Equally important is the providing of spiritual food to those who are in need, be they without faith in God, or needing encouragement from God's word or from believers in Jesus Christ. Our goal is that as churches work together in addressing the material needs of the homeless and working poor in their communities, that not only would physical needs be met, but that the church would also be able to meet spiritual needs, and above all, that God be glorified

Food for Life Ministry is looking forward to hosting our third Golf Tournament, at 8 AM on October 23, 2020 at El Prado Golf Course. We want to have fun, to promote and raise awareness of Food for Life Ministry, and to raise much needed funds for our organization. We thank you for considering joining us, and hope that you will have a fun day.

Food for Life Ministry is committed to serving those in need with food and encouragement. Food For Life ministry desires to care for the whole person, providing food for the body and nourishment for the soul.

Tournament Chairman, Bernie Gabrielse
